Met-Pro Corporation to Report Third Quarter Earnings on December 8

Harleysville, PA, November 16, 2011 – Met-Pro Corporation (NYSE:MPR) announced today that it will issue financial results for the third quarter ended October 31, 2011 on Thursday, December 8, 2011.

Raymond J. De Hont, Chairman and Chief Executive Officer, and Gary J. Morgan, Senior Vice President of Finance and Chief Financial Officer, will hold a conference call for investors on the same day, December 8, 2011, at 11:00 AM (Eastern). Met-Pro's earnings release and the accompanying financial supplement, which includes significant financial information to be discussed during the conference call, will be available on Met-Pro's Investor Relations website at www.met-pro.com/html/invrel.htm prior to the beginning of the conference call.

Interested persons who wish to hear the live webcast should go to the Met-Pro Corporation website prior to the starting time to register, download and install any necessary audio software.

You may also participate by calling the US/Canada Dial-In # 877-818-7738 or the International Dial-In # 706-643-9333 (conference ID 27178727) at 10:55 AM (Eastern) on the same day. A taped replay of the conference call will be available within two hours of the conclusion of the call and until December 22, 2011. To access the taped replay, call the US/Canada Dial-In # 800-642-1687 or the International Dial-In # 706-645-9291 and enter conference ID 27178727.

About Met-Pro

Met-Pro Corporation, with headquarters at 160 Cassell Road, Harleysville, Pennsylvania, is a leading niche-oriented global provider of product recovery, pollution control, fluid handling and filtration solutions. The Company's diverse and synergistic solutions and products address the world's growing need for clean air and water, reduced energy consumption and improved operating efficiencies. Through its global sales organization, internationally recognized brands, and operations in North America, South America, Europe and The People's Republic of China, Met-Pro's solutions, products and systems are sold to a well-diversified cross-section of customers and markets around the world. For more information, please visit www.met-pro.com.

The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for forward-looking statements. Certain information included in this news release, and other materials filed or to be filed with the Securities and Exchange Commission (as well as information included in oral or other written statements made or to be made by the Company), contain statements that are forward-looking. Such statements may relate to plans for future expansion, business development activities, capital spending, financing, the effects of regulation and competition, or anticipated sales or earnings results. Such information involves risks and uncertainties that could significantly affect results in the future and, accordingly, such results may differ from those expressed in any forward-looking statements made by or on behalf of the Company. These risks and uncertainties include, but are not limited to, those relating to, the cancellation or delay of purchase orders and shipments, product development activities, goodwill impairment, computer systems implementation, dependence on existing management, the continuation of effective cost and quality control measures, retention of customers, global economic and market conditions, and changes in federal or state laws.

Met-Pro common shares are traded on the New York Stock Exchange, symbol **MPR**.
